# Greeting from the 2025 YYFC President

*Hello and welcome from all of us at Youth Youth Football and Cheer! We're proud to share this season with you and celebrate the amazing athletes, families, coaches and volunteers who make our football and cheer program possible.*

*Our mission has always been bigger than a game. Yes, we're here to learn skills, compete, and have fun-but we're also here to build character, encourage teamwork, and create lasting friendships. Every practice, every cheer, and every play is an opportunity to grow both on and off the field.*

*To our players and cheerleaders: give your best effort, support one another, and take pride in representing your community. To our families and fans: thank you for filling the sidelines with encouragement and spirit-it means more than you know. And to our coaches and volunteers: your time and dedication shape these young athletes in ways that will last a lifetime.*

*Here's to a season filled with hard work, sportsmanship, and memories we'll never forget. Go Yough Youth Football and Cheer!*

*With pride and gratitude,*

*Leonard Brown*

# Football Head Coaches

## *Wildcats Coach Jason Saunders*

Jason graduated from Hempfield High School in 1995. He has worked in the printing industry since high school and owns his own local printing company. He has been an integral part of the Greensburg Rugby Club, where he started playing in 2001, and was President of the club for 8 years. He has coached local recreational teams such as soccer, softball, football and flag football. He and his wife, Tara, have lived in Yough school district for 22 years. They have a 12-year-old daughter (Daisy) and a 10-year-old son (Gage) who are both very active in sports. Jason has been part of the YAMF coaching staff going on 4 years, since his son started playing for the Cubs. Jason enjoys being part of the community and helping young athletes learn important life skills through their sport, teamwork and perseverance.

## *Bobcats Coach Lenny Brown*

Coach Brown leads our Bobcat Football Team with passion, dedication, and a true love for the game of football. With 12 years of coaching experience, he has worked with athletes of all ages, skill levels, and sports helping them develop not only as players but also as teammates and leaders. As head coach, he believes in teaching fundamentals, instilling discipline, and building confidence on and off the field. His philosophy is simple: work hard, play with heart, and always show good sportsmanship. When he's not on the field, Coach Brown is a middle school Science teacher. He is in his 14th year of teaching. When he is not teaching or coaching, he enjoys spending time with his wife and 2 boys, playing video games, and watching sports. We're grateful for his leadership and commitment to our athletes, and we're excited to see the continued growth of our program under his guidance.

## *Cubs Coach Derek Auen*

Coach Derek has been coaching kids in football, basketball, softball and baseball for over 12 years. He's all about teaching the basics, building confidence, and making sure the game stays fun. Whether it's practice or game day, he brings energy, encourages teamwork, and helps young athletes grown on and off the field.

# Cheerleading Head Coaches

## *Wildcats Coach Ashley Bergman*

Ashley grew up in Yough School District and cheered from age 8 through college. She helped coach at YAMF in high school and college. She graduated from Penn State with an elementary education degree and was hired as a second grade teacher in Louisa County, Virginia, where she coached middle school, Varsity & Competitive cheer. After three years she made her way home, got a special education and principal certification, and coached JV cheerleading at Cannon McMillan. Ashley was then hired as a first grade teacher at The Environmental Charter School in Pittsburgh in 2010, and she is now entering her tenth year as the primary school principal. Ashley is happily married to her husband and they are the proud parents of two incredible little girls, ages 10 and 7, who love all things outdoors and movement! She is so happy to be a part of YYFC and to be in her fifth year of head coaching here, as well as being the Cheer Director.

## *Bobcats Coach Michelle Risku*

My name is Michelle Risku and I am the head coach for the Bobcats this year. This is my second year coaching, I coached Cubs last year! I graduated from Yough in 2013 and live in the district with my husband and 2 daughters. It is such an honor to coach youth cheer and I can't wait to see what these girls accomplish for years to come. "The coach can make you practice, the crowd can cheer you on, but only your heart can make you a cheerleader"  
Good Luck girls & Go Bobcats!

## *Cubs Coach Mackenzie Stange*

Hi, my name is Mackenzie and I'm the head coach for Cub Cheer this year! I have cheered from age 5 all the way through High School and now am the assistant High School coach! This is my daughter Ensley's second year on Cubs and I hope she continues having the same passion for cheerleading that I have! I also have a 4 year old son, Asher, who can not wait to start football next season! I'm so excited to be a part of this organization and can not wait to see what this season brings and the girls achieve! Go Cubs!!
